LEAD CHILDCARE, MORE THAN A LONG DAY CARE SERVICE

Our Kindergarten programs at LEAD Childcare are designed to prepare your child for a successful future, as well as aiding a smooth transition into Prep. Throughout the year, we focus on fostering skills such as making friends, building independence, boosting self-confidence and developing early literacy and numeracy abilities. Assisting with a smooth transition into 'big school' our Kindergarten classes start visits to their local schools. These visits help our children develop new friendships, build on their social skills and foster a familiarity with their future school environment.

Around this time of the year we are working with our families and children in preparing them for their next stage in their learning adventures; the transition from Pre-Kindy to Kindergarten.

Our Pre-Kindy children look forward to their first day of Kindergarten. Kindergarten at LEAD Childcare is more than a long day care service, we pride ourselves on delivering the same Government Approved Kindergarten Program as a stand alone community Kindergarten. Our Early Childhood Teachers are dedicated to delivering inspiring learning opportunities, building on and supporting school readiness in each of their pupils.

Enjoy our 15 hour per week Government Approved Kindergarten Program and enrol in care outside of regular Kindergarten hours at the same LEAD Childcare service. Offering your child the reassurance of the same educational environment and Educational team, nurturing a sense of security and stability in their routine.

We invite you to book a tour of the Kindergarten rooms at your local LEAD Childcare service today and experience our learning environments first hand.

THANK YOU FOR CELEBRATING OUR 15TH BIRTHDAY WITH US

July was a special month of celebrations for everyone at LEAD Childcare. Providing 15 years of quality childcare and education to Queensland families is no small feat. A family owned company employing over 400 staff members is quite the accomplishment.

Our services hosted themed disco parties, family lunches and dress up themed days for everyone to enjoy.

Sharing this magical milestone with our devoted families and enthusiastic employees, we ran two raffles with one lucky winner from our families and one lucky employee, each winning a bounty of \$500 worth of gift vouchers.

We congratulate the Cassidy family from LEAD Childcare Mango Hill and Ashlee, our Head Office Receptionist, our 15th Birthday Raffle winners.

Thank you for being a part of our LEAD Childcare family.

Dental Health Week

Teaching our little learners the importance of caring for your teeth and gums. LEAD Childcare services schedule visits from their local dental practices, providing dental examinations. Our Educators are on hand to support the brave and comfort the weary to ensure all of our children benefit from regular dental checkups.

Red Nose Day

Getting silly for a serious cause which is close to our hearts at LEAD Childcare. Our skilled Educators abide by recommendations from Red Nose Safe Sleeping, Red Nose Saving Lives and National Quality Standards to provide the highest level of care for your little one during their resting hours.
